**Mr. Christopher CHAN**

Managing Director  
Fantastic Natural Cosmetics Ltd

[www.fancl-hk.com](http://www.fancl-hk.com)

Mr. Christopher Chan is the Founder and Managing Director of Fantastic Natural Cosmetics Ltd, the sole distributor of FANCL products in Asia. Mr. Chan is also the Founder and CEO of the Michelin-starred French restaurants ÉPURE and Arbor and the historic DALLOYAU patisserie in Hong Kong.

Mr. Chan brought FANCL to Hong Kong in 1996, providing a wide array of the brand's renowned preservative-free skin care and nutritional supplements, offering people comprehensive support for their health and nutrition. Over the past 24 years, Mr. Chan has applied his innovation and entrepreneurial acumen in successfully expanding the FANCL retail chain to more than 250 outlets spanning Hong Kong, Mainland China 70 cities, Taiwan and Singapore. Now, FANCL has become one of the most popular beauty and healthcare brands in the region.

Other than the beauty and health business, Mr. Chan has dedicated himself to promoting the French culinary culture. In 2014, he extended his business to F&B, introducing to Hong Kong the French royal patisserie DALLOYAU with its

over 300 years of history, and opening 6 branches of the brand at prime districts in the city. He also launched the French fine dining restaurants ÉPURE and Arbor which boast one and two Michelin stars respectively and have earned the warm appreciation of the city's gourmets.

Mr. Chan is also dedicated to the development of education and the arts, concerning himself in particular with the needs of the underprivileged in society. He is the Director of Le French May Board of Directors, Member of the Hong Kong PolyU Foundation Governing Committee, Council Member of the Hong Kong Management Association and President of the Federation of Hong Kong Chiu Chow Community Organizations.

Mr. Chan holds a Master of Science Degree in Structural Engineering from the University of California at Berkeley and a Bachelor of Applied Science Degree in Civil Engineering from the University of Waterloo, Canada. He is also a Registered Professional Engineer and Registered Structural Engineer in Hong Kong; and a Chartered Civil Engineer and Chartered Structural Engineer in the UK.

**Mr. Eugene CHEUNG**

Executive Director, Research  
Grosvenor Ltd

[www.grosvenor.com](http://www.grosvenor.com)

Mr. Eugene Cheung is an Executive Director of Grosvenor Asia Pacific. Headquartered in London, Grosvenor Group is one of the largest privately-owned international property companies with a history of over 340 years. He leads the research team and formulates the corporate strategy for the Group in Asia. Mr. Cheung is part of the Grosvenor Asia Pacific executive committee that oversees the company's investment and portfolio strategy, policies and governance and risk management et cetera. In addition, he is in the leadership group that chiefs the delivery of innovation, social benefits and sustainability goals of the Group. His current focus is on the Group's new strategy that aims to identify innovative technology and disruptive trends along the property value chain through working with the CEO and CFO. The goal is to assess commercial and investment opportunities in emerging proptech and digital businesses, as well as sectors that are strategic adjacencies to the group's core business.

Mr. Cheung is a Chartered Financial Analyst® and has held various leading positions in different international investment banks. Prior to Grosvenor, he spent 8 years at UBS where he later became the Co-Head of HK/China property research. The team was consistently ranked top three by external surveys.

Mr. Cheung graduated from Peking University with an LLB, majoring in International Political Economy with a focus on comparing the economic development model of Hong Kong and Singapore. He grew up in Hong Kong but was tertiary educated in Mainland China. He is a strong advocate to promote Hong Kong to play a key role in China's integration with the international community. He also actively engages the younger generation in Hong Kong through different mentorship programs to nurture better understanding between Hong Kong and Mainland China.
